

One And Only

作詞・作曲：徳田光希

上手いかずに
また今日も反省
一人 イヤフォンに没頭
躍るメロディー
「ほら元気出せ」って
語りかけてきたのさ

大袈裟じゃなくて
生きるための
力になるよ

(One and only) 君のその想いは
(One and only) 日々を彩っていく
(One and only) 紡ぎ出す世界で
(One and only) 僕ら繋がっている

ねえ 明日も君に会いたい (会いたい)
アニメってもはや My life(Your life)
1話2話3話
4話5話
なんだ？ 先の読めない展開に釘付け
Twinkle, twinkle
どんな時も勇敢な主人公
君の名台詞 座右の銘に (Aye)
歩んで行こう

ずっとそばにいて
心の中
照らしてくれた

(One and only) 君のその想いは
(One and only) 日々を彩っていく
(One and only) 紡ぎ出す世界で
(One and only) 僕ら繋がっている

言葉はいらない
君はだって いつも 一番の理解者
これからも
愛し続けたいよ Yeah

(One and only) 君のその想いは
(One and only) 日々を彩っていく
(One and only) 紡ぎ出す世界で
(One and only) 僕ら繋がっている

悲しみも共にして
喜びも共にして
輝き出した 全て
ほら今 しあわせ
(One and only...)
悲しみも共にして
(One and only...)
喜びも共にして
(One and only...)
輝き出した 全て
(One and only...)
ほら今 しあわせ

One And Only

Music & Arrangement: Mitsuki Tokuda
Original Lyrics [JP]: Mitsuki Tokuda
Lyrics [ENG ver.]: Nelson Babin-Coy

Today was one of those days
Nothing went my way
I put my earphones in and zone out
Dancing melodies sing
"Come on kid, cheer up now"
I tap my feet and move to the beat

It's no exaggeration
When I say the struggle
Will help us get through this life

(One and only) Open up, let your feelings shine
(One and only) Coloring all the days divine
(One and only) In a world woven by you and I
(One and only) All connected by the same sky

And when tomorrow comes, I wanna see ya (See ya)
Watching anime to the final season (Season)
I thought I knew the story
But episode 5 threw me
Nothing better than a plot twist, yeah, it got me
Twinkle, twinkle
The main character's ready to be a hero
All your famous lines, I'm gonna make 'em mine
We're moving forward

I hope that you stay by my side
And share all your sunlight
That fills me up inside

(One and only) Open up, let your feelings shine
(One and only) Coloring all the days divine
(One and only) In a world woven by you and I
(One and only) All connected by the same sky

You don't need to say anything
You understand me more than I could ever hope for
My love burns for you
More than I think you even know

(One and only) Open up, let your feelings shine
(One and only) Coloring all the days divine
(One and only) In a world woven by you and I
(One and only) All connected by the same sky

We all share these feelings of sadness
And memories of the happy moments
Look up the stars are shining so bright now
Joyful rays of light falling down
(One and only...)
We all share these feelings of sadness
(One and only...)
And memories of the happy moments
(One and only...)
Look up the stars are shining so bright now
(One and only...)
Joyful rays of light falling down
